That instead of his being designated Dist Sanry officer, he may be called Divisional Sanry officer or Health officer in charge of the Mysore Dist. The Sanry Commr recommends the representation on the following grounds:
1. In the order of the 26 Jany '10, it has been directed that Mr. B. K. Rao's appointment be absorbed in the list of Health officers and
2. That the designation of Dist Sanry officer being lower in status to that of a Divisional Sanry officer, may in the absence of definite orders to the contrary, entail a reduction in the rates of T A admissible to him at present

As Dt Sanry officer Mr Krishna Rao is entitled to a daily allowance of Rs 4/- & a mileage as ₹ (vide G.P. No 7C 2933-42 D. 17.12.07) San 123.07.2
The daily allowance & mileage rates of Dist Sanry officers have not yet been fixed. Submitted for orders.

as District Sanitary Officer.
Mr. Krishna Rao apprehends that he may suffer in status thereby and requests that he may be designated as Divisional Sanitary officer" or "Health Officer in charge of the Mysore District.

It is evident from the last para of the order read as a whole that the reversion ordered thereby is not intended to affect in any way the rank status or pay of Mr. Krishna Rao. The rates of travelling allowance he may draw are not also intended to be reduced. The objection raised by Mr. Krishna Rao is purely sentimental. If however it is considered necessary to distinguish him from other District Sanitary officers by a separate designation, he may be designated merely as "Sanitary officer" instead of "Divisional Sanitary officer" or "Health officer in charge of a District". The former appointment has been

Sir,

Adverting to Govt. Pro. No. 6327-38 San.139-08-8 of 26th Jany 10 appointing Mr. B.Krishna Rao (for some time Divisional Sanitary Officer, Shimoga and lately Health Officer, Bangalore City) as District Sanitary Officer, Mysore District, I have the honor to forward herewith for favourable consideration of Government a representation from that officer praying that , for reasons submitted therein, his designation may remain as "Divisional Sanitary Officer" or " Health Officer" in charge of Mysore District instead of District Sanitary Officer, Mysore District.

2. In view of the order under reference, directing that Mr.Krishna Rao be absorbed into the list of Health Officers as soon as possible and also of the fact that the place of a Dist. Sany. Officer besides being lower in status than that of a Divisional Sanitary Officer or a Health Officer might entail, in absence of definite orders, to the contrary, a reduction in the rates of T/A admissible to him, I would recommend that his prayer to be designated either as Divisional Sanitary Officer, or Health Officer in charge of a District may kindly be sanctioned by Govt This would mean in his case merely a change of designation involving no extra cost to Government as his pay

Forwarding for consideration a representation from Dr B Krishna Rao re- his designation and recommending that his prayer to be designated either a Asst. Sanit. officer or Health officer in charge of a district

I have the honor to be,

Sir,

Your most obedient servant,

Sanitary Commissioner,M.G.

Letter dated 5th Febry from Mr.B.Krishna Rao
to the Sanitary Commr.

With reference to your order No. 3176-77 dated the 1st Instant posting me as District Sanitary Officer, Mysore District, on relief by Dr. A.K.Pani, I beg to submit the following facts for your favourable consideration.

A kind reference to your office file relating to my appointment will, I have no doubt, show the circumstances under which I accepted service in the Mysore Health Department.

Even prior to the constitution of the Public Health Department, Govt. Order No. 9345-8 San.169-06-2 dated 9th April 07 sanctioned the posts of two Health Officers for the cities of Mysore & Bangalore. To fill up one of these posts I resigned my former appointment elsewhere, which I had held for 12 years. On arrival I went to the Mysore City as Health Officer.

About 4 months later, the Public Health Scheme was sanctioned and Dr. V.L. Manker, the first Divisional Sany. Officer entertained thereunder (vide notification No. 3179-San.1-07-12 dated the 5th Oct. 07) happening to be a stran to the vernaculars of the country, a knowledge of which was considered indispensable for the proper discharge of the duties of the office, he was asked to do the duties of the Health Officer, Mysore City, as a special case as it did not require much knowledge of the vernaculars and I was in turn, as I know the vernaculars of the country asked to look after his work. This is the transfer referred to in Notification No. 4971 Ml.261-07-2 dated 29th Nov 07. As this arrangement was then believed to be only a provisional one and as the post of Divisional Sanitary Officer was graded with that of the Health Officers under the Health Scheme, I accepted the transfer without demur.

Sec 36.08.3
Sent to Secretary
with Dr Manker's Docs
file

I had scarcely worked for 10 months as Divisional Sany Officer when I was ordered by wire on the 22nd Sept 08 to relieve the H.O. of the Bangalore City, which I did promptly.

After 16 months hard work as Health Officer, in the Bangalore city I am now posted as a District Sanitary Officer which post is inferior in rank and status to either of the appointments hitherto held by me and involves a lessening of rank and status. It is not that I object to confining my work to one Dist. or even to one town or village should the exigencies of the service demand it, but I deem it neces sary to bring to your notice the degradation in rank in my being designated as and classed with Dist. Sany. Officers and I hope that there has been nothing in my work so far to merit this.

I may also state that although the present arrangement may not affect my pay as already fixed by Govt. yet in the event of any future improvement in the pay and prospects of Health Officers being effected there is every likelihood of my being ignored as I shall be looked upon as one of the Dist. Sany. Officers who will be entertained hereafter.

Should, however, Govt. cannot see their way to modify existing orders, I beg to submit that my designation may remain unaltered for the reasons above mentioned even though may be asked to look after only one District instead of a Division. I make this request as my permanent place is that of the Health Officer Mysore City and in the ordinary course of things this change would not have affected me at all, but for the temporary transfer for special reasons of Dr. Manker to Mysore City and I therefore beg you will be pleased to recommend to Govt. that I may be retained in the class of Health Officers and deputed to do the duties of the Dist. Sany. Officer designating as H.O. in charge of such and such District.

In conclusion I beg to state that my request is after all not much, as I believe there is no intention of making me suffer either in pay or allowances and all that I ask is only the change of name which I trust Govt. will be graciously pleased to sanction with your kind support.

Memo dated 3-3-10 from the same officer

2. In addition to what has been stated in my representation under disposal, I beg to bring to your notice that by being designated as Dist.Sany.Officer there is evry likelihood of the rate of ~~xxy~~ my travelling allowance being reduced to that admissible to the officers of that class. For in the G.O. now issued there is no mention made of this question though it is said that my pay originally fixed will not be affected. It may kindly be noted that the pay of a post may be personal but in the absence of ~~personal~~ definite orders to the contrary the rate of T.A. admissible would be with reference to actual grade of the appointment This, I may submit, will entail in my case, in addition to the loss of rank, a loss of pecuniar nature also. Since it is contemplated in the G.O. that I should , as soon as possible, be raised to my former higher grade, I would be saved from the above situtation should you be pleased to accede to my prayer in the matter of the retention of my former designation.
